Item 1.01. Entry into a Material Definitive Agreement

Indenture

On August 16, 2010, SPX Corporation (the "Company") and each of its subsidiaries guaranteeing the Notes (as defined below) entered into an indenture (the "Indenture") with U.S. Bank National Association, as trustee, in connection with the Company's issuance of \$600,000,000 aggregate principal amount of the Company's 6.875% senior notes due 2017 (the "Notes"). The Indenture sets forth the terms of the Notes and the obligations of the Company thereunder. Following is a brief description of the material terms of the Indenture, which summary is qualified in its entirety by reference to the Indenture and the form of Notes attached thereto.

The Notes are unsecured senior obligations of the Company, guaranteed by each of the Company's domestic subsidiaries and future domestic subsidiaries that guarantee obligations under the Company's U.S. senior credit facilities, ranking equal in right of payment with all other existing and future senior unsecured indebtedness of the Company and each subsidiary guarantor, and senior in right to all the Company's and each subsidiary guarantor's existing and future subordinated indebtedness. The Notes will mature on September 1, 2017. Interest on the Notes will be payable on March 1 and September 1 of each year, beginning on March 1, 2011.

The Notes have not been registered under the Securities Act of 1933, as amended (the "Securities Act") and were sold by the Company in reliance on the exemption from registration provided by Section 4(2) of the Securities Act.

The Company may redeem the notes at any time prior to maturity at a price equal to 100% of the principal amount plus a make-whole premium and accrued and unpaid interest. Prior to September 1, 2013, the Company may further redeem up to 35% of the aggregate principal amount of the Notes with the proceeds from certain equity offerings. If the Company experiences a change of control, as defined in the Indenture, each holder of Notes will have the right to sell to the Company all or a portion of such holder's Notes at 101% of their principal amount, plus accrued but unpaid interest, if any, to the date of repurchase.

The Indenture contains covenants that, among other things, limit the Company's and certain of its subsidiaries' ability to incur liens, enter into sale and lease-back transactions, and consummate certain mergers. These covenants are subject to a number of important exceptions contained in the Indenture.

The Indenture provides for events of default which, if they occurred, would permit or require the principal, any premium and interest on the Notes to be immediately due and payable.

2

Registration Rights Agreement

On August 16, 2010, the Company, each of its subsidiaries guaranteeing the Notes and the initial purchasers of the Notes entered into a registration rights agreement (the "Registration Rights Agreement") regarding the Notes pursuant to which the Company and the subsidiary guarantors agreed to use their commercially reasonable efforts to file an exchange offer registration statement with the Securities and Exchange Commission for the purpose of exchanging the Notes for notes with substantially identical terms that may be publicly traded within 515 days from August 16, 2010 unless the Notes are freely tradable. In addition, under certain circumstances, the Registration Rights Agreement requires the Company and the subsidiary guarantors to file a shelf registration statement that would permit some of or all the Notes to be offered to the public. If the Company and the subsidiary guarantors fail to comply with certain of their obligations under the Registration Rights Agreement within the time periods set forth therein, the Company will be obligated to pay liquidated damages to the holders of the Notes that are not freely tradable in the amount of 50 basis points.

J.P. Morgan Securities Inc. is representative of the initial purchasers under the Registration Rights Agreement. Under the Company's senior credit facility, J.P. Morgan Securities Inc. serves as joint bookrunning manager and its affiliate serves as a lender and the syndication agent.

Such Company Order shall specify the amount of Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and, in case of an issuance of Notes pursuant to Section 2.15, shall certify that such issuance is in compliance with Article Four.

19

The Trustee may appoint an authenticating agent to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such authenticating agent. An authenticating agent has the same rights as an Agent to deal with the Company or any Subsidiary Guarantor or an Affiliate of the Company or any Subsidiary Guarantor.

The Notes shall be issuable only in registered form without coupons and only in denominations of \$2,000 in principal amount and multiples of \$1,000 in excess thereof.

SECTION 2.04. Registrar and Paying Agent. The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar"), an office or agency where Notes may be presented for payment (the "Paying Agent") and an office or agency where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall cause the Registrar to keep a register of the Notes and of their transfer and exchange (the "Security Register"). The Security Register shall be in written form or any other form capable of being converted into written form within a reasonable time. The Company may have one or more co-Registrars and one or more additional Paying Agents.

The Company shall enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Company shall give prompt written notice to the Trustee of the name and address of any such Agent and any change in the address of such Agent. If the Company fails to maintain a Registrar, Paying Agent and/or agent for service of notices and demands, the Company shall appoint the Trustee to act as, and the Trustee shall act as, such Registrar, Paying Agent and/or agent for service of notices and demands. The Company may remove any Agent upon written notice to such Agent and the Trustee; *provided* that no such removal shall become effective until (i) the acceptance of an appointment by a successor Agent to such Agent as evidenced by an appropriate agency agreement entered into by the Company and such successor Agent and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as such Agent until the appointment of a successor Agent in accordance with clause (i) of this proviso. The Company, any Subsidiary of the Company, or any Affiliate of any of them may act as Paying Agent, Registrar or co-Registrar, and/or agent for service of notice and demands.

The Company hereby initially appoints the Trustee as Registrar, Paying Agent, authenticating agent and agent for service of notice and demands. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee as of each Regular Record Date and at such other times as the Trustee may reasonably request the names and addresses of Holders as they appear in the Security Register, including the aggregate principal amount of Notes held by each Holder.

SECTION 2.05. Paying Agent to Hold Money in Trust. Not later than 11:00 a.m. (New York City time) on each due date of the principal, premium, if any, and interest on any Notes, the Company shall deposit with the Paying Agent money in immediately available funds sufficient to pay such principal, premium, if any, and interest so becoming due. The

20

Company shall require each Paying Agent other than the Trustee to agree in writing that such Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes (whether such money has been paid to it by the Company or any other obligor on the Notes), and such Paying Agent shall promptly notify the Trustee of any default by the Company (or any other obligor on the Notes) in making any such payment. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require such Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent shall have no further liability for the money so paid over to the Trustee. If the Company or any Subsidiary of the Company or any Affiliate of any of them acts as Paying

Agent, it will, on or before each due date of any principal of, premium, if any, or interest on the Notes, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such principal, premium, if any, or interest so becoming due until such sum of money shall be paid to such Holders or otherwise disposed of as provided in this Indenture, and will promptly notify the Trustee of its action or failure to act.

SECTION 2.06. Transfer and Exchange. The Notes are issuable only in registered form. A Holder may transfer a Note only by written application to the Registrar stating the name of the proposed transferee and otherwise complying with the terms of this Indenture. No such transfer shall be effected until, and such transferee shall succeed to the rights of a Holder only upon, final acceptance and registration of the transfer by the Registrar in the Security Register. Prior to the registration of any transfer by a Holder as provided herein, the Company, the Trustee, and any agent of the Company shall treat the person in whose name the Note is registered as the owner thereof for all purposes whether or not the Note shall be overdue, and neither the Company, the Trustee, nor any such agent shall be affected by notice to the contrary. Furthermore, any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent) and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry. When Notes are presented to the Registrar or a co-Registrar with a request to register the transfer or to exchange them for an equal principal amount of Notes of other authorized denominations (including an exchange of Notes for Exchange Notes), the Registrar shall register the transfer or make the exchange as requested if its requirements for such transactions are met (including that such Notes are duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and Registrar duly executed by the Holder thereof or by an attorney who is authorized in writing to act on behalf of the Holder); *provided* that no exchanges of Notes for Exchange Notes shall occur until a Registration Statement shall have been declared effective by the Commission, the Trustee shall have received notice of such effectiveness by the Company and provided further that any Notes that are exchanged for Exchange Notes shall be cancelled by the Trustee. To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Notes at the Registrar's request. No service charge shall be made for any registration of transfer or exchange or redemption of the Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or other similar governmental charge payable upon exchanges pursuant to Section 2.11, 3.08 or 9.04).

21

The Registrar shall not be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Notes selected for redemption under Section 3.03 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

SECTION 2.07. Book-Entry Provisions for Global Notes. The U.S. Global Notes and Offshore Global Notes initially shall (i) be registered in the name of the Depository for such Global Notes or the nominee of such Depository, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear legends as set forth in Section 2.02.

(a) Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian, or under such Global Note, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(b) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in Global Notes may be transferred in accordance with the rules and procedures of the Depository and the provisions of Section 2.08. In addition, U.S. Physical Notes and Offshore Physical Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the U.S. Global Notes or the Offshore Global Notes, as the case may be, if (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for the U.S. Global Notes or the Offshore Global Notes, as the case may be, and a successor depository is not appointed by the Company within 90 days of such notice, (ii) an Event of Default has occurred and is continuing and the Registrar has received a written request from the Depository or (iii) in accordance with the rules and procedures of the Depository and the provisions of Section 2.08.

(c) Any beneficial interest in one of the Global Notes that is transferred to a person who takes delivery in the form of an interest in another Global Note will, upon transfer, cease to be an interest in another Global Note and become an interest in such other Global Note and, accordingly, will thereafter be subject to all transfer restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(d) In connection with any transfer of a portion of the beneficial interests in a Global Note to beneficial owners pursuant to paragraph (b) of this Section 2.07, the Registrar shall reflect on its books and records the date and a decrease in the principal

22

amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Company shall execute, and the Trustee shall authenticate and deliver, one or more U.S. Physical Notes or Offshore Physical Notes, as the case may be, of like tenor and amount.

(e) In connection with the transfer of the U.S. Global Notes or the Offshore Global Notes, in whole, to beneficial owners pursuant to paragraph (b) of this Section 2.07, the U.S. Global Notes or Offshore Global Notes, as the case may be, shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interest in the U.S. Global Notes or Offshore Global Notes, as the case may be, an equal aggregate principal amount of U.S. Physical Notes or Offshore Physical Notes, as the case may be, of authorized denominations.

(f) Any U.S. Physical Note delivered in exchange for an interest in the U.S. Global Notes pursuant to paragraph (b), (d) or (e) of this Section 2.07 shall, except as otherwise provided by paragraph (f) of Section 2.08, bear the legend regarding transfer restrictions applicable to the

(g) Any Offshore Physical Note delivered in exchange for an interest in the Offshore Global Notes pursuant to paragraph (b), (d) or (e) of this Section 2.07 shall, except as otherwise provided by paragraph (f) of Section 2.08, bear the legend regarding transfer restrictions applicable to the Offshore Physical Note set forth in Section 2.02.

(h) The registered holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

SECTION 2.08. Special Transfer Provisions. Unless and until a Note is exchanged for an Exchange Note or sold in connection with an effective Shelf Registration Statement pursuant to the Registration Rights Agreement, the following provisions shall apply:

(a) Transfers to Non-QIB Institutional Accredited Investors. The following provisions shall apply with respect to the registration of any proposed transfer of a Note to any Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons):

(i) The Registrar shall register the transfer of any Note, whether or not such Note bears the Private Placement Legend, if (x) the requested transfer is after the time period referred to in Rule 144(d) under the Securities Act or (y) the proposed transferee has delivered to the Registrar (A) a certificate substantially in the form of Exhibit C hereto and (B) if the aggregate principal amount of the Notes being transferred is less than \$100,000, an opinion of counsel acceptable to the Company that such transfer is in compliance with the Securities Act.

(ii) If the proposed transferor is an Agent Member holding a beneficial interest in the U.S. Global Notes, upon receipt by the Registrar of (x) the

documents, if any, required by paragraph (i) above and (y) instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the U.S. Global Notes in an amount equal to the principal amount of the beneficial interest in the U.S. Global Notes to be transferred, and the Company shall execute, and the Trustee shall authenticate and deliver, one or more U.S. Physical Notes of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration of any proposed transfer of U.S. Physical Notes or an interest in U.S. Global Notes to a QIB (excluding Non-U.S. Persons):

(i) If the Note to be transferred consists of (x) either Offshore Physical Notes prior to the removal of the Private Placement Legend or U.S. Physical Notes, the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on the form of Note stating, or has otherwise advised the Company and the Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who has signed the certification provided for on the form of Note stating, or has otherwise advised the Company and the Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A or (y) an interest in the U.S. Global Notes, the transfer of such interest may be effected only through the book entry system maintained by the Depository.

(ii) If the proposed transferee is an Agent Member, and the Note to be transferred consists of U.S. Physical Notes, upon receipt by the Registrar of the documents referred to in paragraph (i) above and instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of U.S. Global Notes in an amount equal to the principal amount of the U.S. Physical Notes to be transferred, and the Trustee shall cancel the U.S. Physical Notes so transferred.

(c) Transfers of Interests in the Offshore Global Notes or Offshore Physical Notes. The following provisions shall apply with respect to any transfer of interests in the Offshore Global Notes or Offshore Physical Notes:

(i) Prior to the removal of the Private Placement Legend from an Offshore Global Note or Offshore Physical Note pursuant to Section 2.02, the

Registrar shall refuse to register such transfer unless such transfer complies with Section 2.08(b) or Section 2.08(d), as the case may be; and

(ii) After such removal, the Registrar shall register the transfer of any such Note without requiring additional certification.

(d) Transfers to Non-U.S. Persons at Any Time. The following provisions shall apply with respect to any transfer of a Note to a Non-U.S. Person:

(i) The Registrar shall register any proposed transfer to any Non-U.S. Person if the Note to be transferred is a U.S. Physical Note or an interest in U.S. Global Notes, upon receipt of a certificate substantially in the form of Exhibit D hereto from the proposed transferor.

(ii) (a) If the proposed transferor is an Agent Member holding a beneficial interest in the U.S. Global Notes, upon receipt by the Registrar of (x) the documents, if any, required by paragraph (i) and (y) instructions in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the U.S. Global Notes in an amount equal to the principal amount of the beneficial interest in the U.S. Global Notes to be transferred, and (b) if the proposed transferee is an Agent Member, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Offshore Global Notes in an amount equal to the principal amount of the U.S. Physical Notes or the U.S. Global Notes, as the case may be, to be transferred, and the Trustee shall cancel the Physical Note, if any, so transferred or decrease the amount of the U.S. Global Notes.

(e) Private Placement Legend. Upon the transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) the Private Placement Legend is no longer required by Section 2.02, (ii) the circumstances contemplated by paragraph (a)(i)(x) of this Section 2.08 exist or (iii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Company and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

(f) General. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such a Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture. The Registrar shall not register a transfer of any Note unless such transfer complies with the restrictions on transfer of such Note set forth in this Indenture. In connection with any transfer of Notes, each Holder agrees by its acceptance of the Notes to furnish the Registrar or the Company

25

such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act; *provided* that the Registrar shall not be required to determine (but may rely on a determination made by the Company with respect to) the sufficiency of any such certifications, legal opinions or other information.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.07 or this Section 2.08. The Company, at its sole cost and expense, shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

SECTION 2.09. Replacement Notes. If a mutilated Note is surrendered to the Trustee or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, then, in the absence of written notice to the Company or the Trustee that such Note has been acquired by a protected purchaser, the Company shall issue and the Trustee shall authenticate a replacement Note of like tenor and principal amount and bearing a number not contemporaneously outstanding; *provided* that the requirements of this Section 2.09 are met. If required by the Trustee or the Company, an indemnity bond must be furnished that is sufficient in the judgment of both the Trustee and the Company to protect the Company, the Trustee or any Agent from any loss that any of them may suffer if a Note is replaced. The Company may charge such Holder for its expenses and the expenses of the Trustee in replacing a Note. In case any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Company and each Subsidiary Guarantor and shall be entitled to the benefits of this Indenture.

SECTION 2.10. Outstanding Notes. Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.10 as not outstanding.

If a Note is replaced pursuant to Section 2.09, it ceases to be outstanding unless and until the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If the Paying Agent (other than the Company or an Affiliate of the Company) holds on the Maturity Date money sufficient to pay Notes payable on that date, then on and after that date such Notes cease to be outstanding and interest on them shall cease to accrue.

A Note does not cease to be outstanding because the Company or one of its Affiliates holds such Note, *provided, however*, that in determining whether the Holders of the requisite principal amount of the outstanding Notes have given any request, demand, authorization, direction, notice, consent or waiver hereunder, Notes owned by the Company or any other obligor upon the Notes or any Affiliate of the Company or of such other obligor shall

26

be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Trustee has actual knowledge to be so owned shall be so disregarded. Notes so owned which have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Notes and that the pledgee is not the Company or any other obligor upon the Notes or any Affiliate of the Company or of such other obligor.

SECTION 2.11. Temporary Notes. Until definitive Notes are ready for delivery, the Company may prepare and execute and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have insertions, substitutions, omissions and other variations determined to be appropriate by the Officers executing the temporary Notes, as evidenced by their execution of such temporary Notes. If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company designated for such purpose pursuant to Section 4.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company

shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall be entitled to the same benefits under this Indenture as definitive Notes.

SECTION 2.12. Cancellation. The Company, at any time, may deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Notes previously authenticated hereunder. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for transfer, exchange, payment or cancellation and shall destroy them in accordance with its normal procedure.

SECTION 2.13. CUSIP Numbers. The Company in issuing the Notes may use "CUSIP" or "ISIN" numbers (if then generally in use), and the Company and the Trustee shall use CUSIP or ISIN numbers, as the case may be, in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee of any change in "CUSIP" or "ISIN" numbers for the Notes.

SECTION 2.14. Defaulted Interest. If the Company defaults in a payment of interest on the Notes, it shall pay, or shall deposit with the Paying Agent money in immediately available funds sufficient to pay, the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date. A special record date, as used in this Section 2.14 with respect to the payment of any defaulted interest, shall mean the 15th day next preceding the date fixed by the Company for the payment of defaulted interest, whether or not such day is a Business Day. At least 15 days before the subsequent special record date, the Company shall mail to each Holder

27

and to the Trustee a notice that states the subsequent special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.15. Issuance of Additional Notes. The Company may, subject to Article Four of this Indenture and applicable law, issue Additional Notes under this Indenture. The Notes issued on the Closing Date and any Additional Notes subsequently issued shall be treated as a single class for all purposes under this Indenture. The Additional Notes may be issued in private or public transactions and will contain relevant legends.

ARTICLE THREE REDEMPTION

SECTION 3.01. Right of Redemption. Except as pursuant to this Section 3.01 the Company may not redeem the Notes prior to the Maturity Date. The Company may redeem the Notes in whole or in part at any time prior to the Maturity Date, at a Redemption Price equal to 100% of the principal amount thereof plus the Applicable Premium as of the Redemption Date, plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

At any time prior to September 1, 2013, the Company may redeem up to 35% of the aggregate principal amount of the Notes (including any Additional Notes) with the Net Cash Proceeds of one or more sales of common stock of the Company at any time as a whole or from time to time in part, at a Redemption Price (expressed as a percentage of principal amount) of 106.875%, plus accrued and unpaid interest thereon, if any, to the Redemption Date (subject to the rights of Holders of record on the relevant Regular Record Date that is prior to the Redemption Date to receive interest due on an Interest Payment Date); *provided* that (i) at least 65% of the aggregate principal amount of Notes (including any Additional Notes) remains outstanding after each such redemption and (ii) notice of any such redemption is mailed within 60 days after each such sale of common stock.

SECTION 3.02. Notices to Trustee. If the Company elects to redeem Notes pursuant to Section 3.01, it shall notify the Trustee in writing of the Redemption Date and the principal amount of Notes to be redeemed and the clause of this Indenture pursuant to which redemption shall occur.

The Company shall give each notice provided for in this Section 3.02 in an Officers' Certificate at least 45 days before the Redemption Date (unless a shorter period shall be satisfactory to the Trustee).

SECTION 3.03. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed in compliance with the requirements, as certified to it by the Company, of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not listed on a national securities exchange or automated quotation system on a pro rata basis, by lot or by such other method as the Trustee in its sole discretion shall deem fair and appropriate; *provided* that no Note of \$2,000 in principal amount or less shall be redeemed in part.

28

The Trustee shall make the selection from the Notes outstanding and not previously called for redemption. Notes in denominations of \$2,000 in principal amount may only be redeemed in whole. The Trustee may select for redemption portions (equal to \$2,000 in principal amount or multiples of \$1,000 in excess thereof) of Notes that have denominations larger than \$2,000 in principal amount. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Company and the Registrar promptly in writing of the Notes or portions of Notes to be called for redemption.

SECTION 3.04. Notice of Redemption. With respect to any redemption of Notes pursuant to Section 3.01, at least 30 days but not more than 60 days before a Redemption Date, the Company shall mail a notice of redemption by first-class mail to each Holder whose Notes are to be redeemed.

The notice shall identify the Notes to be redeemed and shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price;

- (iii) the name and address of the Paying Agent;
- (iv) that Notes called for redemption must be surrendered to the Paying Agent in order to collect the Redemption Price;
- (v) that, unless the Company defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date and the only remaining right of the Holders is to receive payment of the Redemption Price plus accrued interest to the Redemption Date upon surrender of the Notes to the Paying Agent;
- (vi) that, if any Note is being redeemed in part, the portion of the principal amount (equal to \$2,000 in principal amount or any integral multiple thereof) of such Note to be redeemed and that, on and after the Redemption Date, upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion thereof will be reissued; and
- (vii) that, if any Note contains a CUSIP or ISIN number as provided in Section 2.13, no representation is being made as to the correctness of the CUSIP or ISIN number either as printed on the Notes or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes.

At the Company's request (which request may be revoked by the Company at any time prior to the time at which the Trustee shall have given such notice to the Holders), made in writing to the Trustee at least 45 days (or such shorter period as shall be satisfactory to the Trustee) before a Redemption Date, the Trustee shall give the notice of redemption in the name and at the expense of the Company. If, however, the Company gives such notice to the Holders,

29

the Company shall concurrently deliver to the Trustee an Officers' Certificate stating that such notice has been given.

SECTION 3.05. Effect of Notice of Redemption. Once notice of redemption is mailed, Notes called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender of any Notes to the Paying Agent, such Notes shall be paid at the Redemption Price, plus accrued interest, if any, to the Redemption Date.

Notice of redemption shall be deemed to be given when mailed, whether or not the Holder receives the notice. In any event, failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of Notes held by Holders to whom such notice was properly given.

SECTION 3.06. Deposit of Redemption Price. On or prior to 11:00 a.m., New York City time, on any Redemption Date, the Company shall deposit with the Paying Agent (or, if the Company is acting as its own Paying Agent, shall segregate and hold in trust as provided in Section 2.05) money sufficient to pay the Redemption Price of and accrued interest on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date that have been delivered by the Company to the Trustee for cancellation.

SECTION 3.07. Payment of Notes Called for Redemption. If notice of redemption has been given in the manner provided above, the Notes or portion of Notes specified in such notice to be redeemed shall become due and payable on the Redemption Date at the Redemption Price stated therein, together with accrued interest to such Redemption Date, and on and after such date (unless the Company shall default in the payment of such Notes at the Redemption Price and accrued interest to the Redemption Date, in which case the principal, until paid, shall bear interest from the Redemption Date at the rate prescribed in the Notes), such Notes shall cease to accrue interest. Upon surrender of any Note for redemption in accordance with a notice of redemption, such Note shall be paid and redeemed by the Company at the Redemption Price, together with accrued interest, if any, to the Redemption Date; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders registered as such at the close of business on the relevant Regular Record Date.

SECTION 3.08. Notes Redeemed in Part. Upon surrender of any Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate and deliver to the Holder without service charge, a new Note equal in principal amount to the unredeemed portion of such surrendered Note.

ARTICLE FOUR COVENANTS

SECTION 4.01. Payment of Notes. The Company shall pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. An installment of principal, premium, if any, or interest shall be considered paid on the date due if the Trustee or Paying Agent (other than the Company, a Subsidiary of the Company, or any Affiliate of any of them) holds on that date money designated

30

for and sufficient to pay the installment. If the Company or any Subsidiary of the Company or any Affiliate of any of them acts as Paying Agent, an installment of principal, premium, if any, or interest shall be considered paid on the due date if the entity acting as Paying Agent complies with the last sentence of Section 2.05. As provided in Section 6.09, upon any bankruptcy or reorganization procedure relative to the Company, the Trustee shall serve as the Paying Agent, if any, for the Notes.

The Company shall pay interest on overdue principal and premium, if any, and interest on overdue installments of interest, to the extent lawful, at the rate per annum specified in the Notes.

SECTION 4.02. Maintenance of Office or Agency. The Company shall maintain an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or

agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 11.02.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby initially designates the Paying Agent Office of the Trustee, as such office or agency of the Company where Notes may be surrendered for registration of transfer or exchange or for presentation for payment.

The Company hereby initially designates the Corporate Trust Office of the Trustee, as such office where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served.

SECTION 4.03. Limitation on Liens. The Company will not, and will not permit any of its Significant Subsidiaries to, create, incur, issue, assume or guarantee any Funded Debt secured by a Mortgage upon any of its properties or assets, whether owned on the Closing Date or thereafter acquired, without effectively providing concurrently that the Notes are secured equally and ratably with or, at the Company's option, prior to such Indebtedness so long as such Indebtedness shall be so secured.

The foregoing restriction shall not apply to, and there shall be excluded from Indebtedness in any computation under such restriction, Indebtedness secured by:

(i) Permitted Mortgages;

31

(ii) Mortgages on any property or assets existing at the time of the acquisition thereof by the Company or any Significant Subsidiary;

(iii) Mortgages securing only the Notes;

(iv) Mortgages on property or assets of a Person existing at the time such Person is merged into or consolidated with the Company or any of its Significant Subsidiaries or at the time of a sale, lease or other disposition of the properties and assets of such Person (or a division thereof) as an entirety or substantially as an entirety to the Company or any of its Significant Subsidiaries; *provided* that any such Mortgage does not extend to any property or assets owned by the Company or any of its Significant Subsidiaries immediately prior to such merger, consolidation, sale, lease or disposition;

(v) Mortgages on property or assets of a Person existing at the time such Person becomes a Significant Subsidiary of the Company;

(vi) Mortgages in favor of the Company or any of its Subsidiaries;

(vii) Mortgages (including in connection with capital leases) on property or assets (including shares of Capital Stock of any Subsidiary formed to acquire, construct, develop or improve such property) to secure all or part of the cost of acquisition, construction, development or improvement of such property or assets, or to secure Indebtedness incurred to provide funds for any such purpose; *provided* that the commitment of the creditor to extend the credit secured by any such Mortgage shall have been obtained no later than 360 days after the later of (a) the completion of the acquisition, construction, development or improvement of such property or assets or (b) the placing in operation of such property or assets; *provided* further that such Mortgage shall not extend to any other property or assets (including shares of Capital Stock of any Subsidiary formed to acquire, construct, develop or improve such property) other than those so acquired, constructed, developed or improved;

(viii) Mortgages to secure obligations under Credit Facilities in an aggregate principal amount not to exceed the greatest of (A) \$1,750 million, (B) the sum of the amounts equal to (x) 70% of the consolidated book value of the inventory of the Company and its Subsidiaries and (y) 90% of the consolidated book value of the accounts receivable of the Company and its Subsidiaries, in each case as of the Company's most recently ended fiscal quarter for which financial statements are available, in each case, giving pro forma effect to any asset sale or asset acquisition, that shall have occurred since the end of such fiscal quarter, and (C) an amount that does not cause the ratio of Indebtedness secured by Mortgages of the Company and its Subsidiaries to Consolidated Cash Flow Available for Fixed Charges for the most recently ended twelve month period of the Company for which financial statements are available to exceed 2.75:1.0;

(ix) Mortgages on property or assets of Foreign Subsidiaries to secure Funded Debt of such Foreign Subsidiary incurred in the ordinary course of business; and

(x) Mortgages existing on the date of this Indenture or any extension, renewal, replacement or refunding, in whole or in part, of any Indebtedness secured by a Mortgage

32

existing on the date of this Indenture or referred to in the foregoing clauses of this Section 4.03 or Mortgages created in connection with any amendment, consent or waiver relating to such Indebtedness; *provided* that any such extension, renewal, replacement or refunding of such Indebtedness shall be created within 360 days of repaying the Indebtedness secured by the Mortgage referred to in the foregoing clauses of this Section 4.03, and the principal amount of the Indebtedness secured thereby and not otherwise authorized by the foregoing clauses of this Section 4.03 shall not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal, replacement or refunding, so secured at the time of such extension, renewal, replacement or refunding.

For purposes of determining compliance of any non-U.S. dollar-denominated Indebtedness with this Section 4.03, the amount outstanding under any U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall at all times be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided, however*, that if such Indebtedness is incurred to refinance other Indebtedness denominated in the same or different currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

For purposes of determining what category of excluded Mortgages in the foregoing clauses or the next paragraph in which any Mortgage shall be included, the Company in its sole discretion may classify such Mortgage on the date of its incurrence and later reclassify all or a portion of such Mortgage in any manner that complies with this Section 4.03.

Notwithstanding the restrictions described above, the Company and any of its Significant Subsidiaries may create, incur, issue, assume or guarantee Indebtedness secured by Mortgages without equally and ratably securing the Notes, if at the time of such creation, incurrence, issuance, assumption or guarantee, after giving effect thereto and to the retirement of any Indebtedness which is concurrently being retired, the aggregate amount of all such Indebtedness secured by Mortgages which would otherwise be subject to such restrictions (other than any Indebtedness secured by Mortgages permitted as described in clauses (i) through (x) of this Section 4.03) plus all Attributable Debt of the Company and any of its Significant Subsidiaries in respect of Sale and Leaseback Transactions (with the exception of such transactions which are permitted under clauses (i) through (iv) of Section 4.04) does not exceed 10% of Consolidated Assets. For avoidance of doubt, the provisions in the foregoing sentence may be used concurrently in connection with one or more of the Mortgages permitted as described in clauses (i) through (x) of this Section 4.03 in any single transaction and may be effectively deemed to have occurred after such other basket clause is used.

At the Company's option, the Company may treat the entire commitment of a revolving credit facility to be fully drawn on the date such agreement is executed, and thereafter

the amount of such commitment shall be deemed to be fully borrowed at all times for the purposes of the foregoing covenant.

SECTION 4.04. Limitation on Sale and Leaseback Transactions. The Company will not, and will not permit any of its Significant Subsidiaries to, enter into any Sale and Leaseback Transaction unless:

(i) the Sale and Leaseback Transaction is solely with the Company or any of its Subsidiaries;

(ii) the lease is for a period not in excess of 36 months, including renewals;

(iii) the Company or such Significant Subsidiary would (at the time of entering into such arrangement) be entitled as described in clauses (i) through (x) of Section 4.03, without equally and ratably securing the Notes then outstanding under this Indenture, to create, incur, issue, assume or guarantee Indebtedness secured by a Mortgage on such property or assets in the amount of the Attributable Debt arising from such Sale and Leaseback Transaction;

(iv) the Company or such Significant Subsidiary within 360 days after the sale of property or assets in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the greater of (A) the net proceeds of the sale of such property or assets or (B) the fair market value of such property or assets to (i) the retirement of Notes, other Funded Debt of the Company ranking on a parity with the Notes or Funded Debt of a Subsidiary or (ii) the acquisition of different property, facilities or equipment or the expansion of the Company's existing business, including the acquisition of other businesses or capital expenditures; or

(v) the Attributable Debt of the Company and its Significant Subsidiary in respect of such Sale and Leaseback Transaction and all other Sale and Leaseback Transactions entered into after the Closing Date (other than any such Sale and Leaseback Transaction as would be permitted as described in clauses (i) through (iv) of this Section 4.04), plus the aggregate principal amount of Indebtedness secured by Mortgages then outstanding (not including any such Indebtedness secured by Mortgages described in clauses (i) through (x) of Section 4.03) which do not equally and ratably secure the Notes (or secure Notes on a basis that is prior to other Indebtedness secured thereby), would not exceed 10% of Consolidated Assets.

SECTION 4.05. Repurchase of Notes upon a Change of Control. The Company must commence, within 30 days of the occurrence of a Change of Control, and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price equal to 101% of their principal amount, plus accrued interest, if any, to the Payment Date. The Company will not be required to make an Offer to Purchase upon the occurrence of a Change of Control pursuant to this Section 4.05, if (i) a third party makes an Offer to Purchase the Notes in the manner, at the times and otherwise in compliance with this Indenture applicable to an Offer to Purchase for a Change of Control and purchases all Notes properly tendered and not withdrawn in such Offer to Purchase upon a Change of Control, or (ii) a notice of redemption has

been given pursuant to Section 3.04 this Indenture unless and until there is a default in payment of the applicable redemption price. An Offer to Purchase upon the occurrence of a Change of Control may be made in advance of a Change of Control if a definitive agreement to effect the Change of Control is in place at the time such Offer to Purchase is made and the Offer to Purchase is effected upon the consummation of the Change of Control, and such Offer to Purchase may be conditional on the Change of Control.

SECTION 4.06. Existence. Subject to Articles Four and Five of this Indenture, the Company shall do or cause to be done all things reasonably necessary to preserve and keep in full force and effect its existence and the existence of each of its Subsidiary Guarantors in accordance with the respective organizational documents of the Company and each of its Subsidiary Guarantors and the material rights (whether pursuant to charter, certificate of formation, article of incorporation, partnership certificate, agreement, statute or otherwise), licenses and franchises of the Company and each of its Subsidiary

Guarantors; *provided* that the Company shall not be required to preserve any such right, license or franchise, or the existence of any Subsidiary Guarantor, if the maintenance or preservation thereof is no longer desirable in the Company's judgment for the conduct of the business of the Company and its Subsidiary Guarantors taken as a whole.

SECTION 4.07. Payment of Taxes and Other Claims. The Company shall pay or discharge and shall cause each of its Subsidiary Guarantors to pay or discharge, or cause to be paid or discharged, before the same shall become delinquent (i) all material taxes, assessments and governmental charges levied or imposed upon (a) the Company or any such Subsidiary Guarantor, (b) the income or profits of any such Subsidiary Guarantor which is a corporation or (c) the property of the Company or any such Subsidiary Guarantor and (ii) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a lien upon the property of the Company or any such Subsidiary Guarantor; *provided* that the Company shall not be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established.

SECTION 4.08. Maintenance of Properties and Insurance. The Company shall cause all properties used or useful in the conduct of its business or the business of any of its Subsidiary Guarantors to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided* that nothing in this Section 4.08 shall prevent the Company or any Subsidiary Guarantor from discontinuing the use, operation or maintenance of any of such properties or disposing of any property or assets, if such discontinuance or disposal is, in the judgment of the Company, desirable for the Company on a consolidated basis.

The Company will provide or cause to be provided, for itself and its Subsidiary Guarantors, insurance (including appropriate self-insurance) in amounts and with such deductions and covering such risks as it reasonably deems adequate, with recognized, financially sound insurers or with the government of the United States of America, or an agency or

35

instrumentality thereof, in such amounts, with such deductibles and by such methods as shall be customary for corporations similarly situated in the industry in which the Company or any such Subsidiary Guarantors, as the case may be, is then conducting business.

SECTION 4.09. Notice of Defaults. In the event that any Officer becomes aware of any Default or Event of Default, the Company shall deliver to the Trustee an Officers' Certificate, within 15 days of becoming aware of such Default or Event of Default, specifying such Default or Event of Default, its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.10. Compliance Certificates. The Company shall deliver to the Trustee, within 90 days after the end of the last fiscal quarter of each year, an Officers' Certificate stating whether or not the signers know of any Default or Event of Default that occurred during such fiscal year. Such certificate shall contain a certification from the principal executive officer, principal financial officer or principal accounting officer of the Company that a review has been conducted of the activities of the Company and its Subsidiary Guarantors and the Company's and its Subsidiary Guarantor's performance under this Indenture and that the Company has complied with all conditions and covenants under this Indenture. If any of the officers of the Company signing such certificate has knowledge of such a Default or Event of Default, the certificate shall describe any such Default or Event of Default and its status. The first certificate to be delivered pursuant to this Section 4.10 shall be for the fiscal year beginning 2010.

SECTION 4.11. Commission Reports and Reports to Holders. Whether or not the Company is required to file reports with the Commission, to the extent permitted by the Commission, the Company shall file with the Commission all such reports and other information as it would be required to file with the Commission by Section 13(a) or 15(d) under the Exchange Act if it were subject thereto within 30 days after the time periods specified by the Commission's rules and regulations. For as long as the Notes are outstanding, the Company shall supply the Trustee and each Holder who so requests or shall supply to the Trustee for forwarding to each such Holder, without cost to such Holder, copies of such reports and other information.

SECTION 4.12. Waiver of Stay, Extension or Usury Laws. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company from paying all or any portion of the principal of, premium, if any, or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture; and (to the extent that it may lawfully do so) the Company hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.13. Issuances of Subsidiary Guarantees. The Company shall cause each domestic Subsidiary of the Company that Guarantees Indebtedness of the Company

36

under the Credit Agreement to execute and deliver a supplemental indenture to this Indenture providing for a Note Guarantee by such Subsidiary pursuant to Article Ten.

SECTION 4.14 Additional Interest Notice. In the event that the Company is required to pay interest to holders of Notes at an increased rate pursuant to the terms of the Notes, the Company will provide written notice ("Additional Interest Notice") to the Trustee of its obligation to pay interest at an increased rate no later than fifteen days prior to the proposed payment date for the interest, and the Additional Interest Notice shall set forth the amount of interest to be paid by the Company on such payment date. The Trustee shall not at any time be under any duty or responsibility to any holder of Notes to determine the interest, or with respect to the nature, extent, or calculation of the amount of interest owed, or with respect to the method employed in such calculation of the interest.

SECTION 5.01. When Company or Subsidiary Guarantors May Merge, Etc. The Company will not consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of its property and assets (as an entirety or substantially an entirety in one transaction or a series of related transactions) to, any Person or permit any Person to merge with or into it unless:

(i) it shall be the continuing Person, or the Person (if other than it) formed by such consolidation or into which it is merged or that acquired or leased such property and assets (the "Surviving Person"), shall be a corporation, limited liability company, trust or limited partnership organized and validly existing under the laws of the United States of America or any jurisdiction thereof and shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of the Company's obligations under this Indenture and the Notes;

(ii) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(iii) it delivers to the Trustee an Officers' Certificate stating that such consolidation, merger or transfer and such supplemental indenture complies with this Section 5.01 and that all conditions precedent provided for herein relating to such transaction have been complied with; and

(iv) each Subsidiary Guarantor, unless such Subsidiary Guarantor is the Person with which the Company has entered into a transaction under this Section 5.01, shall have by amendment to its Note Guarantee confirmed that its Note Guarantee shall apply to the obligations of the Company or the Surviving Person in accordance with the Notes and this Indenture.

Each Subsidiary Guarantor (other than any Subsidiary Guarantor whose Note Guarantee is to be released in accordance with the terms of its Note Guarantee and this Indenture, in connection with the sale, exchange or transfer to any Person (other than an Affiliate

37

of the Company) of all of the Capital Stock of such Subsidiary Guarantor) will not, and the Company will not cause or permit any Subsidiary Guarantor to, consolidate with or merge with or into any Person other than the Company or any other Subsidiary Guarantor unless:

(i) such Subsidiary Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Subsidiary Guarantor) is a corporation organized and existing under the laws of the United States or any State thereof and such Person assumes by supplemental indenture all of the obligations of the Subsidiary Guarantor on its Note Guarantee; and

(ii) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing.

SECTION 5.02. Successor Substituted. Upon any consolidation or merger, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Company or any Subsidiary Guarantor in accordance with Section 5.01 of this Indenture, the successor Person formed by such consolidation or into which the Company or any Subsidiary Guarantor is merged or to which such sale, conveyance, transfer, lease or other disposition is made shall succeed to and be substituted for, and may exercise every right and power of, the Company or such Subsidiary Guarantor under this Indenture with the same effect as if such successor Person had been named as the Company or such Subsidiary Guarantor herein; *provided that* the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest on the Notes and such Subsidiary Guarantor shall not be released from its Note Guarantee in the case of a lease of all or substantially all of its property and assets.

ARTICLE SIX DEFAULT AND REMEDIES

SECTION 6.01. Events of Default. The following events will be defined as "Events of Default" in this Indenture:

(a) default in the payment of principal of (or premium, if any, on) any Note when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;

(b) default in the payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days;

(c) (1) the Company defaults in the performance of or breaches any other covenant or agreement in this Indenture or under the Notes (other than a default specified in clause (a) or (b) above) and such default or breach continues for a period of 60 consecutive days after written notice by the Trustee or the Holders of 25% or more in aggregate principal amount of the Notes;

(d) there occurs with respect to any issue or issues of Indebtedness of the Company, any Subsidiary Guarantor or any Significant Subsidiary having an outstanding principal amount of \$75.0 million or more in the aggregate for all such issues of all such

38

Persons, whether such Indebtedness now exists or shall hereafter be created, (A) an event of default that has caused the holder thereof to declare such Indebtedness to be due and payable prior to its Stated Maturity and such Indebtedness has not been discharged in full or such acceleration has not been rescinded or annulled within 30 days of such acceleration and/or (B) the failure to make a principal payment at the final (but not any interim) fixed maturity and such defaulted payment shall not have been made, waived or extended within 30 days of such payment default;

(e) any final judgment or order (not covered by insurance) for the payment of money in excess of \$75.0 million in the aggregate for all such final judgments or orders against all such Persons (treating any deductibles, self-insurance or retention as not so covered) shall be rendered against the Company, any Subsidiary Guarantor or any Significant Subsidiary and shall not be paid or discharged, and there shall be any period of 60 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders

outstanding and not paid or discharged against all such Persons to exceed \$75.0 million during which a stay of enforcement of such final judgment or order, by reason of a pending appeal or otherwise, shall not be in effect;

(f) a court having jurisdiction in the premises enters a decree or order for (A) relief in respect of the Company, any Subsidiary Guarantor or any Significant Subsidiary in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, (B) appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company, any Subsidiary Guarantor or any Significant Subsidiary or for all or substantially all of the property and assets of the Company, any Subsidiary Guarantor or any Significant Subsidiary or (C) the winding-up or liquidation of the affairs of the Company, any Subsidiary Guarantor or any Significant Subsidiary and, in each case, such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;

(g) the Company, any Subsidiary Guarantor or any Significant Subsidiary (A) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case under any such law, (B) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company, any Subsidiary Guarantor or any Significant Subsidiary or for all or substantially all of the property and assets of the Company, any Subsidiary Guarantor or any Significant Subsidiary or (C) effects any general assignment for the benefit of creditors; or

(h) any Subsidiary Guarantor repudiates its obligations under its Note Guarantee or, except as permitted by this Indenture, any Note Guarantee is determined to be unenforceable or invalid or shall for any reason cease to be in full force and effect.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in clause (f) or (g) of Section 6.01 that occurs with respect to the Company) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 25% in

39

aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued interest shall be immediately due and payable. In the event of a declaration of acceleration because an Event of Default set forth in clause (d) of Section 6.01 has occurred and is continuing, such declaration of acceleration shall be automatically rescinded and annulled if the event of default triggering such Event of Default pursuant to clause (d) of Section 6.01 shall be remedied or cured by the Company, the relevant Subsidiary Guarantor or the relevant Significant Subsidiary or waived by the holders of the relevant Indebtedness within 60 days after the declaration of acceleration with respect thereto. If an Event of Default specified in clause (f) or (g) of Section 6.01 occurs with respect to the Company, the principal of, premium, if any, and accrued interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

Any time after such declaration of acceleration, but before a judgment or decree for the payment of money due has been obtained by the Trustee, the Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may waive all past defaults and rescind and annul a declaration of acceleration and its consequences if (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may, and at the direction of the Holders of at least a majority in principal amount of the outstanding Notes shall, pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, premium, if any, or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

SECTION 6.04. Waiver of Past Defaults. Subject to Sections 6.02, 6.07 and 9.02, the Holders of at least a majority in principal amount of the outstanding Notes, by notice to the Trustee, may waive an existing Default or Event of Default and its consequences, except a Default in the payment of principal of, premium, if any, or interest on any Note as specified in clause (a) or (b) of Section 6.01 or in respect of a covenant or provision of this Indenture which cannot be modified or amended without the consent of the Holder of each outstanding Note affected. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority. The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or

40

power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

SECTION 6.06. Limitation on Suits. A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(i) the Holder gives the Trustee written notice of a continuing Event of Default;

(ii) the Holders of at least 25% in aggregate principal amount of outstanding Notes shall have made a written request to the Trustee to pursue such remedy;

(iii) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;

(iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and

(v) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

For purposes of Section 6.05 of this Indenture and this Section 6.06, the Trustee shall comply with TIA Section 316(a) in making any determination of whether the Holders of the required aggregate principal amount of outstanding Notes have concurred in any request or direction of the Trustee to pursue any remedy available to the Trustee or the Holders with respect to this Indenture or the Notes or otherwise under the law.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest on, such Note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default in payment of principal, premium or interest specified in clause (a) or (b) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor of the Notes for the whole amount of principal, premium, if any, and accrued interest remaining unpaid, together with interest on overdue principal, premium, if any, and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case at the rate specified in the Notes, and such further

41

amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor of the Notes), its creditors or its property and shall be entitled and empowered to collect and receive any monies, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money or property in the following order:

First: to the Trustee for all amounts due under Section 7.07;

Second: to Holders for amounts then due and unpaid for principal of, premium, if any, and interest on the Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal, premium, if any, and interest, respectively; and

Third: to the Company or any other obligors of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee, upon prior written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

42

SECTION 6.12. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then, and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Company, Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.13. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Notes in Section 2.09, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.14. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE SEVEN
TRUSTEE

SECTION 7.01. General. The duties and responsibilities of the Trustee shall be as provided by the TIA and as set forth herein. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it. Whether or not herein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article Seven.

Except during the continuance of a Default, the Trustee will not be liable, except for the performance of such duties as are specifically set forth in this Indenture. If an Event of Default has occurred and is continuing, the Trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it under this Indenture as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

SECTION 7.02. Certain Rights of Trustee. Subject to TIA Sections 315(a) through (d):

43

(i) the Trustee may conclusively rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person;

(ii) before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel, which shall conform to Section 11.04. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion;

(iii) the Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder;

(iv) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee satisfactory security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction;

(v) the Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders of a majority in aggregate principal amount of the outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, *provided* that the Trustee's conduct does not constitute gross negligence or bad faith;

(vi) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate;

(vii) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, financial statement, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, at the Company's sole cost and expense, to examine the books, records and premises of the Company personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

44

(viii) the Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes unless either (1) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such Default or Event of Default shall have been given to the Trustee by the Company, any Subsidiary Guarantor or by any Holder of the Notes;

(ix) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(x) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(xi) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder; and

(xii) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to TIA Sections 310(b) and 311.

SECTION 7.04. Trustee's Disclaimer. The Trustee (i) makes no representation as to the validity or adequacy of this Indenture or the Notes, (ii) shall not be accountable for the Company's use or application of the proceeds from the Notes and (iii) shall not be responsible for any statement in the Notes other than its certificate of authentication.

SECTION 7.05. Notice of Default. If any Default or any Event of Default occurs and is continuing and if such Default or Event of Default is known to any Responsible Officer of the Trustee, the Trustee shall mail to each Holder in the manner and to the extent provided in TIA Section 313(c) notice of the Default or Event of Default within 90 days after it occurs, unless such Default or Event of Default has been cured; *provided, however,* that, except in the case of a default in the payment of the principal of, premium, if any, or interest on any Note, the Trustee shall be protected in withholding such notice if and so long as a trust committee of Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders.

45

SECTION 7.06. Reports by Trustee to Holders. Within 60 days after each May 15, beginning with May 15, 2011, the Trustee shall mail to each Holder as provided in TIA Section 313(c) a brief report dated as of such May 15, if required by TIA Section 313(a).

A copy of each report at the time of its mailing to the Holders of Securities shall be mailed to the Company and filed with the Commission and each stock exchange on which the Securities are listed in accordance with TIA Section 313(d). The Company shall promptly notify the Trustee when the Securities are listed on any stock exchange or of any delisting thereof.

SECTION 7.07. Compensation and Indemnity. The Company shall pay to the Trustee such compensation as shall be agreed upon in writing, from time to time, for its services hereunder. The compensation of the Trustee shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances incurred or made by the Trustee without negligence or bad faith on its part. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

The Company and each Subsidiary Guarantor, jointly and severally, shall indemnify each of the Trustee or any predecessor Trustee and their agents for, and hold them harmless against, any and all loss, damage, claims, liability or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section, except to the extent that such loss, damage, claim, liability or expense is due to its own negligence or bad faith. The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder, unless the Company is materially prejudiced thereby. The Company shall defend the claim and the Trustee shall cooperate in the defense *provided, however,* that the Trustee shall have the right to defend such claim if, upon the advice of counsel, its interests may be prejudiced by the conduct of such defense by the Company. Unless otherwise set forth herein, the Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, premium, if any, and interest on particular Notes.

If the Trustee incurs expenses or renders services after the occurrence of an Event of Default specified in clause (f) or (g) of Section 6.01, the expenses and the compensation for the services will be intended to constitute expenses of administration under Title 11 of the United States Bankruptcy Code or any applicable federal or state law for the relief of debtors.

46

The provisions of this Section 7.07 shall survive the resignation or removal of the Trustee and termination of this Indenture.

The Trustee shall comply with the provisions of TIA Section 313(b)(2) to the extent applicable.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign at any time by so notifying the Company in writing at least 30 days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by so notifying the Trustee in writing and may appoint a successor Trustee with the consent of the Company. The Company may remove the Trustee if: (i) the Trustee is no longer eligible under Section 7.10; (ii) the Trustee is adjudged a bankrupt or an insolvent; (iii) a receiver or other public officer takes charge of the Trustee or its property; or (iv) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company. If the successor Trustee does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.08 within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the

Company or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after the delivery of such written acceptance, subject to the lien provided in Section 7.07, (i) the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee, (ii) the resignation or removal of the retiring Trustee shall become effective and (iii) the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder. No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

If the Trustee is no longer eligible under Section 7.10 or shall fail to comply with TIA Section 310(b), any Holder who satisfies the requirements of TIA Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.08, the Trustee shall resign immediately in the manner and with the effect provided in this Section.

The Company shall give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

47

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligation under Section 7.07 shall continue for the benefit of the retiring Trustee. Upon the Trustee's resignation or removal, the Company shall promptly pay the Trustee all amounts owed by the Company to the Trustee.

SECTION 7.09. Successor Trustee by Merger, Etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act shall be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee herein, provided such corporation shall be otherwise qualified and eligible under this Article.

SECTION 7.10. Eligibility. This Indenture shall always have a Trustee who satisfies the requirements of TIA Section 310(a)(1). The Trustee shall have a combined capital and surplus of at least \$25 million as set forth in its most recent published annual report of condition that is subject to the requirements of applicable federal or state supervising or examining authority. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.10, the Trustee shall resign immediately in the manner and with the effect specified in this Article.

SECTION 7.11. Money Held in Trust. The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article Eight of this Indenture.

ARTICLE EIGHT DISCHARGE OF INDENTURE

SECTION 8.01. Termination of Company's Obligations. Except as otherwise provided in this Section 8.01, the Company may terminate its obligations under the Notes and this Indenture if:

(i) all Notes previously authenticated and delivered (other than destroyed, lost or stolen Notes that have been replaced or Notes that are paid pursuant to Section 4.01 or Notes for whose payment money or securities have theretofore been held in trust and thereafter repaid to the Company, as provided in Section 8.05) have been delivered to the Trustee for cancellation and the Company has paid all sums payable by it hereunder; or

(ii) (A) the Notes mature within one year or all of them are to be called for redemption within one year under arrangements satisfactory to the Trustee for giving the notice of redemption, (B) the Company irrevocably deposits in trust with the Trustee during such one-year period, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, as trust funds solely for the benefit of the Holders for that purpose, money or U.S. Government Obligations sufficient (in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee), without consideration of any reinvestment of any interest thereon, to pay principal, premium, if, any, and interest on

48

the Notes to maturity or redemption, as the case may be, and to pay all other sums payable by it hereunder, (C) no Default or Event of Default with respect to the Notes shall have occurred and be continuing on the date of such deposit, (D) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound and (E) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel reasonably acceptable to the Trustee in each case stating that all conditions precedent provided for herein relating to the satisfaction and discharge of this Indenture have been complied with.

With respect to the foregoing clause (i), the Company's obligations under Section 7.07 shall survive. With respect to the foregoing clause (ii), the Company's obligations in Sections 2.02, 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 2.14, 4.02, 7.07, 7.08, 8.04, 8.05 and 8.06 shall survive until the Notes are no longer outstanding. Thereafter, only the Company's obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive. After any such irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture except for those surviving obligations specified above.

SECTION 8.02. Defeasance and Discharge of Indenture. The Company will be deemed to have paid and will be discharged from any and all obligations in respect of the Notes on the 123rd day after the deposit referred to in clause (A) of this Section 8.02, and the provisions of this Indenture will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to

replace stolen, lost or mutilated Notes, to maintain paying agencies and to hold monies for payment in trust) and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same if:

(A) With reference to this Section 8.02, the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10) and conveyed all right, title and interest to the Trustee for the benefit of the Holders, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee as trust funds in trust specifically pledged to the Trustee for the benefit of the Holders as security for payment of the principal of, or premium, if any, on the Notes and dedicated solely to, the benefit of the Holders, in and to (1) money in an amount, (2) U.S. Government Obligations that through the payment of interest and principal in respect thereof in accordance with their terms, will provide, not later than one day before the due date of any payment referred to in clause (A), money in an amount or (3) a combination thereof in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, without consideration of the reinvestment of such interest and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, the principal of, premium if any, and accrued interest on the outstanding Notes (i) on the Stated Maturity of such principal and interest; provided that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such U.S. Government Obligations to the payment of such principal, premium, if any, and interest

49

with respect to the Notes or (ii) on any earlier Redemption Date pursuant to the terms of this Indenture and the Notes; provided that the Company has provided the Trustee with irrevocable instructions to redeem all of the outstanding Notes on such Redemption Date;

(B) The Company has delivered to the Trustee (1) either (x) an Opinion of Counsel to the effect that the beneficial owners of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of the Company's exercise of its option under this Section 8.02 and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred, which Opinion of Counsel shall be based upon (and accompanied by a copy of) a ruling of the Internal Revenue Service to the same effect unless there has been a change in applicable federal income tax law after the Closing Date such that a ruling is no longer required or (y) a ruling directed to the Trustee received from the Internal Revenue Service to the same effect as the aforementioned Opinion of Counsel and (2) an Opinion of Counsel to the effect that the creation of the defeasance trust does not violate the Investment Company Act of 1940 and that after the passage of 123 days following the deposit (except, with respect to any trust funds for the account of any Holder who may be deemed to be an "insider" for purposes of the United States Bankruptcy Code, after one year following the deposit), the trust funds will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law in a case commenced by or against the Company under either such statute, and either (I) the trust funds will no longer remain the property of the Company (and therefore will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally) or (II) if a court were to rule under any such law in any case or proceeding that the trust funds remained property of the Company, (a) assuming such trust funds remained in the possession of the Trustee prior to such court ruling to the extent not paid to the Holders, the Trustee will hold, for the benefit of the Holders, a valid and perfected security interest in such trust funds that is not avoidable in bankruptcy or otherwise except for the effect of Section 552(b) of the United States Bankruptcy Code on interest on the trust funds accruing after the commencement of a case under such statute and (b) the Holders will be entitled to receive adequate protection of their interests in such trust funds if such trust funds are used in such case or proceeding;

(C) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 123rd day after the date of such deposit, and such deposit shall not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(D) if at such the Notes are then listed on a national securities exchange, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Notes will not be delisted as a result of such deposit, defeasance and discharge; and

50

(E) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance contemplated by this Section 8.02 have been complied with.

Notwithstanding the foregoing, prior to the end of the 123-day (or one-year) period referred to in clause (B)(2) of this Section 8.02, none of the Company's obligations under this Indenture shall be discharged. Subsequent to the end of such 123-day (or one year) period with respect to this Section 8.02, the Company's obligations in Sections 2.02, 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 2.14, 4.02, 8.04, 8.05, 8.06 and the rights, powers, trusts, duties and immunities of the Trustee hereunder shall survive until the Notes are no longer outstanding. Thereafter, only the Company's obligations in Sections 7.07, 8.04, 8.05 and 8.06 shall survive. If and when a ruling from the Internal Revenue Service or an Opinion of Counsel referred to in clause (B) (1) of this Section 8.02 is able to be provided specifically without regard to, and not in reliance upon, the continuance of the Company's obligations under Section 4.01, then the Company's obligations under such Section 4.01 shall cease upon delivery to the Trustee of such ruling or Opinion of Counsel and compliance with the other conditions precedent provided for herein relating to the defeasance contemplated by this Section 8.02.

After any such irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture except for those surviving obligations in the immediately preceding paragraph.

SECTION 8.03. Defeasance of Certain Obligations. The Company may omit to comply with any term, provision or condition set forth in Sections 4.03 through 4.05 and 4.11 and such omission shall be deemed not to be an Event of Default under clause (c) of Section 6.01 and clauses (d) and (e) of Section 6.01 of this Indenture, shall be deemed not to be Events of Default, in each case with respect to the outstanding Notes if:

(i) with reference to this Section 8.03, the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee (or another trustee satisfying the requirements of Section 7.10) and conveyed all right, title and interest to the Trustee for the benefit of the Holders,

under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee as trust funds in trust, specifically pledged to the Trustee for the benefit of the Holders as security for payment of the principal of, premium, if any, and interest, if any, on the Notes, and dedicated solely to, the benefit of the Holders, in and to (A) money in an amount, (B) U.S. Government Obligations that, through the payment of interest, premium, if any, and principal in respect thereof in accordance with their terms, will provide, not later than one day before the due date of any payment referred to in this clause (i), money in an amount or (C) a combination thereof in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, without consideration of the reinvestment of such interest and after payment of all federal, state and local taxes or other charges and assessments in respect thereof payable by the Trustee, the principal of, premium, if any, and interest on the outstanding Notes (i) on the Stated Maturity of such principal or interest; *provided* that the Trustee shall have been irrevocably instructed to apply such money or the proceeds of such U.S. Government Obligations to the payment

of such principal, premium, if any, and interest with respect to the Notes or (ii) on any earlier Redemption Date pursuant to the terms of this Indenture and the Notes; *provided* that the Company has provided the Trustee with irrevocable instructions to redeem all of the outstanding Notes on such redemption Date;

(ii) the Company has delivered to the Trustee an Opinion of Counsel to the effect that (A) the creation of the defeasance trust does not violate the Investment Company Act of 1940, (B) after the passage of 123 days following the deposit (except, with respect to any trust funds for the account of any Holder who may be deemed to be an “insider” for purposes of the United States Bankruptcy Code, after one year following the deposit), the trust funds will not be subject to the effect of Section 547 of the United States Bankruptcy Code or Section 15 of the New York Debtor and Creditor Law in a case commenced by or against the Company under either such statute, and either (1) the trust funds will no longer remain the property of the Company (and therefore will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors’ rights generally) or (2) if a court were to rule under any such law in any case or proceeding that the trust funds remained property of the Company, (x) assuming such trust funds remained in the possession of the Trustee prior to such court ruling to the extent not paid to the Holders, the Trustee will hold, for the benefit of the Holders, a valid and perfected security interest in such trust funds that is not avoidable in bankruptcy or otherwise (except for the effect of Section 552(b) of the United States Bankruptcy Code on interest on the trust funds accruing after the commencement of a case under such statute) and (y) the Holders will be entitled to receive adequate protection of their interests in such trust funds if such trust funds are used in such case or proceeding, (C) the beneficial owners of the Notes will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance of certain covenants and Events of Default and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred and (D) the Trustee, for the benefit of the Holders, has a valid first-priority security interest in the trust funds;

(iii) immediately after giving effect to such deposit on a pro forma basis, no Default or Event of Default shall have occurred and be continuing on the date of such deposit or during the period ending on the 123rd day after such date of such deposit, and such deposit shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(iv) if the Notes are then listed on a national securities exchange, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Notes will not be delisted as a result of such deposit, defeasance and discharge; and

(v) the Company has delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance contemplated by this Section 8.03 have been complied with.

SECTION 8.04. Application of Trust Money. Subject to Section 8.06, the Trustee or Paying Agent shall hold in trust money or U.S. Government Obligations deposited with it pursuant to Section 8.01, 8.02 or 8.03, as the case may be, and shall apply the deposited money and the money from U.S. Government Obligations in accordance with the Notes and this Indenture to the payment of principal of, premium, if any, and interest on the Notes; but such money need not be segregated from other funds except to the extent required by law.

SECTION 8.05. Repayment to Company. Subject to any applicable escheat and abandoned property laws and Sections 7.07, 8.01, 8.02 and 8.03, the Trustee and the Paying Agent shall promptly pay to the Company upon request set forth in an Officers’ Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal, premium, if any, or interest that remains unclaimed for two years; *provided* that the Trustee or Paying Agent before being required to make any payment may cause to be published at the expense of the Company once in a newspaper of general circulation in The City of New York or mail to each Holder entitled to such money at such Holder’s address (as set forth in the Security Register) notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or mailing) any unclaimed balance of such money then remaining will be repaid to the Company. After payment to the Company, Holders entitled to such money must look to the Company for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

SECTION 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 8.01, 8.02 or 8.03, as the case may be, by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01, 8.02 or 8.03, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 8.01, 8.02 or 8.03, as the case may be; *provided* that, if the Company has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE NINE
AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 9.01. Without Consent of Holders. The Company, when authorized by a resolution of its Board of Directors (as evidenced by a Board Resolution delivered to the Trustee), the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture or the Notes without notice to or the consent of any Holder to:

- (1) cure any ambiguity, defect or inconsistency in this Indenture;

53

- (2) comply with Article Five or Section 4.13;

- (3) comply with any requirements of the Commission in connection with the qualification of this Indenture under the TIA or in order to maintain such qualification;

- (4) evidence and provide for the acceptance of appointment hereunder by a successor Trustee;

- (5) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company in this Indenture and in the Notes;

- (6) to add to the covenants of the Company for the benefit of the Holders, or to surrender any right or power herein conferred upon the Company;

- (7) to add additional Events of Default;

- (8) to provide for uncertificated Notes in addition to or in place of the certificated Notes;

- (9) to conform the text of this Indenture or the Notes to any provision of the "Description of notes" in the Company's Offering Memorandum dated August 10, 2010 related to the Notes, to the extent that such provision in such "Description of notes" was intended to be a substantially verbatim recitation of a provision of this Indenture or the Notes;

- (10) to allow any Subsidiary Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes or to release a Guarantee or a security interest under the Notes or a Note Guarantee in accordance with the terms of this Indenture;

- (11) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee;

- (12) to make any change that would provide any additional rights or benefits to the Holders;

- (13) to comply with the rules of any applicable securities depository;

- (14) provide for the issuance of Additional Notes; or

- (15) make any change that does not materially and adversely affect the rights of Holders.

SECTION 9.02. With Consent of Holders. Subject to Sections 6.04 and 6.07 and without prior notice to the Holders, the Company, when authorized by its Board of Directors (as evidenced by a Board Resolution delivered to the Trustee), the Subsidiary Guarantors and the Trustee may amend this Indenture and the Notes with the consent of the

54

Holders of a majority in aggregate principal amount of the Notes then outstanding, and the Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may waive future compliance by the Company with any provision of this Indenture or the Notes.

Notwithstanding the provisions of this Section 9.02, without the consent of each Holder affected, an amendment or waiver, including a waiver pursuant to Section 6.04, may not:

- (i) change the Stated Maturity of the principal of, or any installment of interest on, any Note;

- (ii) reduce the principal amount of, or premium, if any, or interest on, any Note;

- (iii) change the optional redemption dates or optional redemption prices of the Notes from that stated in Section 3.01;

- (iv) change the place or currency of payment of principal of, or premium, if any, or interest on, any Note;

- (v) impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity (or, in the case of redemption, on or after the Redemption Date) of any Note;

- (vi) waive a Default in the payment of principal of, premium, if any, or interest on the Notes;

- (vii) modify any of the provisions of this Section 9.02, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby;

(viii) release any Subsidiary Guarantor from its Note Guarantee, except as provided in this Indenture;

(ix) amend, change or modify the obligation of the Company to make and consummate an Offer to Purchase under Section 4.05 after a Change of Control has occurred, including, in each case, amending, changing or modifying any definition relating thereto; or

(x) reduce the percentage or aggregate principal amount of outstanding Notes the consent of whose Holders is necessary for waiver of compliance with certain provisions of this Indenture or for waiver of certain Defaults.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

55

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will mail supplemental indentures to Holders upon request. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

SECTION 9.03. Revocation and Effect of Consent. Until an amendment or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the Note of the consenting Holder, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note or portion of its Note. Such revocation shall be effective only if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver shall become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then, notwithstanding the last two sentences of the immediately preceding paragraph, those persons who were Holders at such record date (or their duly designated proxies) and only those persons shall be entitled to consent to such amendment, supplement or waiver or to revoke any consent previously given, whether or not such persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder unless it is of the type described in the second paragraph of Section 9.02. In case of an amendment or waiver of the type described in the second paragraph of Section 9.02, the amendment or waiver shall bind each Holder who has consented to it and every subsequent Holder of a Note that evidences the same indebtedness as the Note of the consenting Holder.

SECTION 9.04. Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver such Note to the Trustee. At the Company's expense, the Trustee may place an appropriate notation on the Note about the changed terms and return it to the Holder and the Trustee may place an appropriate notation on any Note thereafter authenticated. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation, or issue a new Note, shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.05. Trustee to Sign Amendments, Etc. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture and that it will be valid and binding upon the Company. Subject to the preceding sentence, the Trustee shall sign such amendment, supplement or waiver if the same does not adversely affect the rights, duties, liabilities or

56

immunities of the Trustee. The Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.06. Conformity with Trust Indenture Act. Every supplemental indenture executed pursuant to this Article Nine shall conform to the requirements of the TIA as then in effect.

ARTICLE TEN GUARANTEE OF NOTES

SECTION 10.01. Note Guarantee. Subject to the provisions of this Article Ten, each Subsidiary Guarantor hereby, jointly and severally, fully and unconditionally Guarantees to each Holder of Notes hereunder and to the Trustee on behalf of the Holders: (i) the due and punctual payment of the principal of, premium, if any, on and interest on each Note, when and as the same shall become due and payable, whether at maturity, by acceleration or otherwise, the due and punctual payment of interest on the overdue principal of and interest, if any, on the Notes, to the extent lawful, and the due and punctual performance of all other obligations of the Company to the Holders or the Trustee, all in accordance with the terms of such Note and this Indenture and (ii) in the case of any extension of time of payment or renewal of any Notes or any of such other obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, at Stated Maturity, by acceleration or otherwise, *subject, however*, in the case of clauses (i) and (ii) above, to the limitations set forth in the next succeeding paragraph.

Each Subsidiary Guarantor and by its acceptance hereof each Holder hereby confirms that it is the intention of all such parties that the Guarantee by any Subsidiary Guarantor pursuant to its Note Guarantee not constitute a fraudulent transfer or conveyance for purposes of the United States Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar Federal or state law. To effectuate the foregoing intention, the Holders and each Subsidiary Guarantor hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Note

Guarantee shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of each Subsidiary Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Note Guarantee or pursuant to the following paragraph, result in the obligations of such Subsidiary Guarantor under its Note Guarantee not constituting such fraudulent transfer or conveyance.

In order to provide for just and equitable contribution among the Subsidiary Guarantors, the Subsidiary Guarantors agree, *inter se*, that in the event any payment or distribution is made by any Subsidiary Guarantor (a "Funding Guarantor") under its Note Guarantee, such Funding Guarantor shall be entitled to a contribution from all other Subsidiary Guarantors in a *pro rata* amount based on the Adjusted Net Assets of each Subsidiary Guarantor (including the Funding Guarantor) for all payments, damages and expenses incurred by that Funding Guarantor in discharging the Company's obligations with respect to the Notes or any other Subsidiary Guarantor's obligations with respect to its Note Guarantee. "Adjusted Net

57

Assets" of such Subsidiary Guarantor at any date shall mean the lesser of the amount by which (x) the fair value of the property of such Subsidiary Guarantor exceeds the total amount of liabilities, including, without limitation, contingent liabilities (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date), but excluding liabilities under the Note Guarantee, of such Guarantor at such date and (y) the present fair salable value of the assets of such Subsidiary Guarantor at such date exceeds the amount that will be required to pay the probable liability of such Subsidiary Guarantor on its debts (after giving effect to all other fixed and contingent liabilities incurred or assumed on such date and after giving effect to any collection from any Subsidiary of such Subsidiary Guarantor in respect of the obligations of such Subsidiary under the Note Guarantee of such Subsidiary Guarantor), excluding debt in respect of its Note Guarantee of such Subsidiary Guarantor), excluding debt in respect of its Note Guarantee, as they become absolute and matured.

Each Subsidiary Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Company, any right to require a proceeding first against the Company, the benefit of discussion, protest or notice with respect to any such Note or the debt evidenced thereby and all demands whatsoever (except as specified above), and covenants that this Note Guarantee will not be discharged as to any such Note except by payment in full of the principal thereof and interest thereon and as provided in Sections 8.01, 8.02 and 8.03. In the event of any declaration of acceleration of such obligations as provided in Article Six, such obligations (whether or not due and payable) shall forthwith become due and payable by each Subsidiary Guarantor for the purposes of this Article Ten. In addition, without limiting the foregoing provisions, upon the effectiveness of an acceleration under Article Six, the Trustee shall promptly make a demand for payment on the Notes under the Note Guarantee provided for in this Article Ten.

The obligations of each Subsidiary Guarantor under its Note Guarantee are independent of the obligations Guaranteed by the Subsidiary Guarantor hereunder, and a separate action or actions may be brought and prosecuted by the Trustee on behalf of, or by, the Holders, subject to the terms and conditions set forth in this Indenture, against any Subsidiary Guarantor to enforce this Note Guarantee, irrespective of whether any action is brought against the Company or whether the Company is joined in any such action or actions.

If the Trustee or the Holder is required by any court or otherwise to return to the Company or any Subsidiary Guarantor, or any custodian, receiver, liquidator, trustee, sequestrator or other similar official acting in relation to Company or any Subsidiary Guarantor, any amount paid to the Trustee or such Holder in respect of a Note, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Subsidiary Guarantor further agrees, to the fullest extent that it may lawfully do so, that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, the maturity of the obligations Guaranteed hereby may be accelerated as provided in Article Six hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition extant under any applicable bankruptcy law preventing such acceleration in respect of the obligations Guaranteed hereby.

Each Subsidiary Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against the Company or any other Subsidiary Guarantor

58

that arise from the existence, payment, performance or enforcement of its obligations under this Note Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, any right to participate in any claim or remedy of the Holders against the Company or any Subsidiary Guarantor or any collateral which any such Holder or the Trustee on behalf of such Holder hereafter acquires, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Company or a Subsidiary Guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to a Subsidiary Guarantor in violation of the preceding sentence and the principal of, premium, if any, and accrued interest on the Notes shall not have been paid in full, such amount shall be deemed to have been paid to such Subsidiary Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of the Holders to be credited and applied upon the principal of, premium, if any, and accrued interest on the Notes. Each Subsidiary Guarantor acknowledges that it will receive direct and indirect benefits from the issuance of the Notes pursuant to this Indenture and that the waivers set forth in this Section 10.01 are knowingly made in contemplation of such benefits.

The Note Guarantee set forth in this Section 10.01 shall not be valid or become obligatory for any purpose with respect to a Note until the certificate of authentication on such Note shall have been signed by or on behalf of the Trustee.

SECTION 10.02. Obligations Unconditional. Nothing contained in this Article Ten or elsewhere in this Indenture or in the Notes is intended to or shall impair, as among any Subsidiary Guarantor and the holders of the Notes, the obligation of such Subsidiary Guarantor, which is absolute and unconditional, upon failure by the Company to pay to the holders of the Notes the principal of, premium, if any, and interest on the Notes as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders and creditors of such Subsidiary Guarantor, nor shall anything herein or therein prevent any Holder or the Trustee on their behalf from exercising all remedies otherwise permitted by applicable law upon default under this Indenture.

Without limiting the foregoing, nothing contained in this Article Ten will restrict the right of the Trustee or the Holders to take any action to declare the Note Guarantee to be due and payable prior to the Stated Maturity of any Notes pursuant to Section 6.02 or to pursue any rights or remedies

hereunder.

SECTION 10.03. Release of Note Guarantees. The Note Guarantee issued by any Subsidiary Guarantor will be automatically and unconditionally released and discharged upon:

- (i) any sale, exchange or transfer to any Person (other than a Subsidiary of the Company) of any of the Capital Stock of such Subsidiary Guarantor;
- (ii) in the event all or substantially all the assets or Capital Stock of a Subsidiary Guarantor are sold or otherwise transferred, by way of merger, consolidation or otherwise, to a Person in compliance with the terms of this Indenture;

59

(iii) the release or discharge of the guarantee by such Subsidiary Guarantor of Indebtedness of the Company or the repayment of the Indebtedness (or Attributable Debt) of such Subsidiary Guarantor, in each case which resulted in the obligation to Guarantee the Notes or if such Subsidiary no longer Guarantees the Credit Agreement; provided that such Subsidiary Guarantor has not Guaranteed any other Funded Debt of the Company or incurred or otherwise become liable for any other Indebtedness (or Attributable Debt) which would have resulted in an obligation to Guarantee the Notes;

(iv) if the Notes are rated Investment Grade by both Rating Agencies and no Default or Event of Default shall have occurred and then be continuing;

(v) in the event of liquidation or dissolution of such Subsidiary or Guarantor; or

(vi) if the Notes are defeased or discharged in accordance with the terms of this Indenture.

SECTION 10.04. Notice to Trustee. Each Subsidiary Guarantor shall give prompt written notice to the Trustee of any fact known to such Subsidiary Guarantor which would prohibit the making of any payment to or by the Trustee in respect of the Note Guarantee pursuant to the provisions of this Article Ten.

SECTION 10.05. This Article Not to Prevent Events of Default. The failure to make a payment on account of principal of, premium, if any, or interest on the Notes by reason of any provision of this Article Ten will not be construed as preventing the occurrence of an Event of Default.

SECTION 11.06. Payment Date Other Than a Business Day. If an Interest Payment Date, Redemption Date, Payment Date, Stated Maturity or date of maturity of any Note shall not be a Business Day, then payment of principal of, premium, if any, or interest on such Note, as the case may be, need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the Interest Payment Date, Payment Date or Redemption Date, or at the Stated Maturity or date of maturity of such Note; *provided* that no interest shall accrue for the period from and after such Interest Payment Date, Payment Date, Redemption Date, Stated Maturity or date of maturity, as the case may be.

SECTION 11.07. Governing Law. This Indenture and the Notes shall be governed by the laws of the State of New York. The Trustee, the Company and the Holders agree to submit to the jurisdiction of the courts of the State of New York in any action or proceeding arising out of or relating to this Indenture or the Notes.

62

SECTION 11.08. No Adverse Interpretation of Other Agreements. Any other indenture, loan or debt agreement of the Company may not be used to interpret this Indenture.

SECTION 11.09. No Recourse Against Others. No recourse for the payment of the principal of, premium, if any, or interest on any of the Notes, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company contained in this Indenture or in any of the Notes, or because of the creation of any Indebtedness represented thereby, shall be had against any incorporator or against any past, present or future partner, stockholder, other equityholder, officer, director, employee or controlling person, as such, of the Company or of any successor Person, either directly or through the Company or any successor Person, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms and provisions hereof.

SECTION 11.14. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Interest will be payable semiannually in cash in arrears (to the holders of record of the Notes at the close of business on the February 15 and August 15 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing March 1, 2011.

If (a) any Notes are not Freely Tradable as of the 395th day after the Notes are issued and neither an Exchange Offer is consummated nor a shelf registration statement (the "Shelf Registration Statement") under the Securities Act with respect to resales of the Notes is declared effective by the Commission within 150 days after the 365th day after the Notes are issued in accordance with the terms of the Registration Rights Agreement dated August 16, 2010 among the Company, the Initial Subsidiary Guarantors and J.P. Morgan Securities Inc., Banc of America Securities LLC, Deutsche Bank Securities Inc., Citigroup Global Markets Inc., Scotia Capital (USA) Inc., Commerz Markets LLC and Mitsubishi UFJ Securities (USA), Inc. or (b) after a Registration Statement has been declared effective, such Registration Statement ceases to be effective or usable at a time such Registration Statement is required to remain effective pursuant to the terms of such Registration Rights Agreement, then the annual interest rate borne by the Notes that are not Freely Tradable shall be increased by 0.5% from the rate shown above, such additional interest accruing from and including the date on which any such registration default has occurred, payable in cash semiannually, in arrears, on each Interest Payment Date, until the consummation of the Exchange Offer or the effectiveness of the Shelf Registration Statement. The Holder of this Note is entitled to the benefits of such Registration Rights Agreement. The Company will not be required to consummate the Exchange Offer if the Notes are Freely Tradable before the Exchange Date (as defined in the Registration Rights Agreement).

Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from August 16, 2010; *provided* that, if there is no existing default in the payment of interest and this Note is authenticated between a Regular Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such Interest Payment Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Company shall pay interest on overdue principal and premium, if any, and interest on overdue installments of interest, to the extent lawful, at a rate per annum that is 2% in excess of the rate otherwise payable.

This Note is a "book-entry" note and is being registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), a clearing agency. As long as this Note is registered in the name of DTC or its nominee, the Trustee will make payments of principal, premium, if any, and interest on this Note by wire transfer of immediately available funds to DTC or its nominee. With respect to any Note that is not registered in the name of DTC or its nominee, the Company may pay principal, premium, if any, and interest by its check payable in such money of the United States that at the time of payment is legal tender for payment of public and private debts. It may mail an interest check to a Holder's registered address (as reflected in the Security Register). If a payment date is a date other than a Business Day at a place of payment, payment may be made at that place on the next succeeding day that is a Business Day and no interest shall accrue for the intervening period.

The Notes may be exchanged or transferred at the office or agency of the Company. Initially, the paying agent office of the Trustee will serve as such office.

3. Paying Agent and Registrar.

Initially, the Trustee will act as authenticating agent, Paying Agent and Registrar. The Company may change any authenticating agent, Paying Agent or Registrar without notice. The Company, any Subsidiary or any Affiliate of any of them may act as Paying Agent, Registrar or co-Registrar.

4. Indenture; Limitations.

The Company issued the Notes under an Indenture dated as of August 16, 2010 (the "Indenture"), among the Company, the Initial Subsidiary Guarantors and U.S. Bank National Association, as trustee (the "Trustee"). Capitalized terms herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are general unsecured unsubordinated obligations of the Company.

The Company may, subject to and applicable law, issue additional Notes under the Indenture. The Indenture does not limit the amount of Notes that may be issued.

A-4

5. Optional Redemption.

Except as set forth below, the Company may not redeem the Notes in whole or in part at any time prior to the Maturity Date. The Company may redeem the Notes in whole or in part at any time prior to the Maturity Date, at a Redemption Price equal to 100% of the principal amount thereof plus the Applicable Premium as of the Redemption Date, plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

At any time prior to September 1, 2013, the Company may redeem up to 35% of the aggregate principal amount of the Notes (including any Additional Notes) with the Net Cash Proceeds of one or more sales of common stock of the Company at any time as a whole or from time to time in part, at a Redemption Price (expressed as a percentage of principal amount) of 106.875% plus accrued and unpaid interest thereon, if any, to the Redemption Date (subject to the rights of Holders of record on the relevant Regular Record Date that is prior to the Redemption Date to receive interest due on an Interest Payment Date); *provided* that (i) at least 65% of the aggregate principal amount of Notes (including any Additional Notes) remain outstanding after each such redemption and (ii) notice of any such redemption is mailed within 60 days after each such sale of common stock.

Notes in original denominations larger than \$2,000 may be redeemed in part. On and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption, unless the Company defaults in the payment of the Redemption Price.

6. Repurchase upon Change of Control.

Upon the occurrence of any Change of Control, each Holder shall have the right to require the repurchase of its Notes by the Company in cash pursuant to the offer described in the Indenture at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase (the "Payment Date").

A notice of such Change of Control will be mailed within 30 days after any Change of Control occurs to each Holder at its last address as it appears in the Security Register. Notes in original denominations larger than \$2,000 may be sold to the Company in part. On and after the Payment Date, interest ceases to accrue on Notes or portions of Notes surrendered for purchase by the Company, unless the Company defaults in the payment of the purchase price.

must look to the Company for payment, unless an abandoned property law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

10. Discharge Prior to Redemption or Maturity.

If the Company deposits with the Trustee money or U.S. Government Obligations sufficient to pay the then outstanding principal of, premium, if any, and accrued interest on the Notes (a) to redemption or maturity, the Company will be discharged from the Indenture and the Notes, except in certain circumstances for certain provisions thereof, and (b) to the Stated Maturity, the Company will be discharged from certain covenants set forth in the Indenture.

11. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding, and any existing default or compliance with any provision may be waived with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding. SECTION 2. *Securities Subject to this Agreement.*

(a) *Transfer Restricted Securities.* The securities entitled to the benefits of this Agreement are the Transfer Restricted Securities.

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “Holder”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. *Registered Exchange Offer.*

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), all of the Securities are Freely Tradable on or before the 395th day following the Closing Date (or if such 395th day is not a Business Day, the next succeeding Business Day) (the “Registration Trigger Date”) or there are no Transfer Restricted Securities outstanding, each of the Company and the Guarantors shall (i) cause to be filed with the Commission, a Registration Statement under the Securities Act relating to the Exchange Securities and the Exchange Offer, (ii) use commercially reasonable efforts to cause such Registration Statement to become effective, (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, (iv) upon the effectiveness of such Registration Statement, commence the Exchange Offer, and (v) use its commercially reasonable efforts to Consummate the Exchange Offer not later than 515 days following the Closing Date (or if such 515th day is not a Business Day, the next succeeding Business Day) (the “Exchange Date”). The Exchange Offer, if required pursuant to this Section 3(a), shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) If an Exchange Offer Registration Statement is required to be filed and declared effective pursuant to Section 3(a) above, the Company and the Guarantors shall use their commercially reasonable efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to Consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 30 days after the date notice of the Exchange Offer is mailed to the Holders.

(c) The Company shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its

4

own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Company), may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

Each of the Company and the Guarantors shall use commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 30 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Company shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such 180-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales.

Notwithstanding anything in this Section 3 to the contrary, the requirements to file and the requirements to consummate the Exchange Offer shall terminate at such time as all the Securities are Freely Tradable. In addition, notwithstanding anything herein to the contrary, the Company will have no further obligation under this Agreement upon the consummation of the Exchange Offer to any Holder of Transfer Restricted Securities who was eligible to participate in the Exchange Offer and did not participate in the Exchange Offer.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* With respect to any Securities that are not Freely Tradable following the Exchange Date, if (i) the Company is not required to file an Exchange Offer Registration Statement or to consummate the Exchange Offer, in each case because the Exchange Offer is not permitted by applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), (ii) for any reason the Exchange Offer is not consummated on or prior to the Exchange Date, or (iii) prior to the 20th day following the consummation of the Exchange Offer (A) the Initial Purchasers request from the Company with respect to Transfer Restricted Securities not eligible to be exchanged for Exchange Securities in the Exchange Offer or (B) with respect to any Holder of Transfer Restricted Securities such Holder

5

notifies the Company that (i) such Holder is prohibited by applicable law or Commission policy from participating in the Exchange Offer, or (ii) such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus and that the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder, or (iii) such Holder is a Broker-Dealer and holds Initial Securities acquired directly from the Company or one of its affiliates, the Company and the Guarantors shall

(x) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the "Shelf Registration Statement") on or prior to 30 days after such obligation arises (or if such 30th day is not a Business Day, the next succeeding Business Day) (such date being the "Shelf Filing Deadline"), which Shelf Registration Statement shall provide for resales of all Transfer Restricted Securities the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective by the Commission on or before the 30th day after the Shelf Filing Deadline (or if such 30th day is not a Business Day, the next succeeding Business Day).

Each of the Company and the Guarantors shall use commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years following the effective date of such Shelf Registration Statement (or shorter period that will terminate when all the Initial Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement, cease to be outstanding or are Freely Tradable); provided that the Company may for a period of up to 60 days in any three-month period, not to exceed 90 days in any calendar year determine that the Shelf Registration Statement is not usable under certain circumstances relating to corporate developments, public filings with the SEC and similar events, and suspend the use of the prospectus that is part of the Shelf Registration Statement (any such period, a "Blackout Period"). Notwithstanding anything herein to the contrary, the requirements to file a Shelf Registration Statement and to have such Shelf Registration Statement become effective and remain effective shall terminate at such time as all the Securities are Freely Tradable.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within 20 Business Days after receipt of a request therefor, such information as the Company may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish

6

promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

(c) *Issuer Free Writing Prospectuses.* Each Holder represents and agrees that, unless it obtains the prior consent of the Company, it will not make any offer relating to the Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433 (an "Issuer Free Writing Prospectus"), or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission. The Company represents that any Issuer Free Writing Prospectus, when taken together with the information in the Shelf Registration Statement and the Prospectus, will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

SECTION 5. *Additional Interest.* If any of the Securities are not Freely Tradable Securities by the Registration Trigger Date and either (i) by the Exchange Date, neither the Shelf Registration Statement has been declared effective by the Commission, nor has an Exchange Offer been consummated with respect to the Exchange Offer Registration Statement, if so required hereunder or (ii) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter, at a time the Registration Statement is required to remain effective, ceases to be effective or fails to be usable for its intended purpose (other than pursuant to a Blackout Period) without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) through (ii), a "Registration Default"), the Company hereby agrees that the interest rate borne by the Transfer Restricted Securities shall be increased by 0.5% per annum ("Additional Interest"). At the earlier of (i) the cure of all Registration Defaults relating to the particular Transfer Restricted Securities or (ii) the particular Transfer Restricted Securities having become Freely Tradable, the interest rate borne by the relevant Transfer Restricted Securities will be reduced to the original interest rate borne by such Transfer Restricted Securities; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Securities shall again be increased pursuant to the foregoing provisions.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Transfer Restricted Security at the time such security ceases to be a Transfer Restricted Security shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, if required pursuant to Section 3(a) hereof, the Company and the Guarantors shall comply with all the provisions of Section 6(c) hereof, shall use commercially reasonable efforts to effect such exchange to permit the sale of Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all the following provisions:

7

(i) If in the reasonable opinion of counsel to the Company there is a question as to whether the Exchange Offer is permitted by applicable law, each of the Company and the Guarantors hereby agrees to seek a no-action letter or other favorable decision from the Commission allowing the Company and the Guarantors to consummate an Exchange Offer for such Initial Securities. Each of the Company and the Guarantors hereby agrees to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. Each of the Company and the Guarantors hereby agrees, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Company, prior to the consummation thereof, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer and (C) it is acquiring the Exchange Securities in its ordinary course of business. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Company's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Company.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, each of the Company and the Guarantors shall comply with all the provisions of Section 6(c) hereof and shall use their commercially reasonable efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto each of the Company and the Guarantors will prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the

8

sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof in accordance with the time periods set forth in Section 4.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers), until such time as the Securities become Freely Tradable, each of the Company and the Guarantors shall:

(i) use commercially reasonable efforts to keep such Registration Statement continuously effective and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the Guarantors) for the period specified in Section 3 or 4 hereof, as applicable; upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use commercially reasonable efforts to cause such amendment to be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold or are Freely Tradable; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the underwriter(s), if any, and selling Holders promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding

9

for any of the preceding purposes, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, each of the Company and the Guarantors shall use commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish without charge to each of the Initial Purchasers, each selling Holder named in any Registration Statement, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the review and comment of such Holders and underwriter(s) in connection with such sale, if any, for a period of at least three Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which an Initial Purchaser of Transfer Restricted Securities covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within three Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period). The objection of an Initial Purchaser or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(v) make available at reasonable times for inspection, upon written request, at the offices where normally kept, by a representative of the Initial Purchasers, the managing underwriter(s), if any, participating in any disposition pursuant to such Registration Statement and any attorney or one firm of accountants retained by such Initial Purchasers or any of the managing underwriter(s), all financial and other records, pertinent corporate documents and properties of each of the Company and the Guarantors and cause the Company's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such Holder, underwriter, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent reasonably requested by the managing underwriter(s), if any; *provided*, that if any such information is reasonably identified by the Company or any Guarantor as being confidential or proprietary, each Person receiving such information shall take such actions as are reasonably necessary to protect the confidentiality of such information, and shall sign confidentiality agreements requested by the Company or any Guarantor prior to the receipt of such information;

10

(vi) if requested by any selling Holders or the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(vii) cause the Transfer Restricted Securities covered by the Registration Statement to be rated with the appropriate rating agencies, if so requested by the Holders of a majority in aggregate principal amount of Securities covered thereby or the underwriter(s), if any;

(viii) furnish to each Initial Purchaser, each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(ix) deliver to each selling Holder and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; each of the Company and the Guarantors hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(x) enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be requested by any Initial Purchaser or by any Holder of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement; and whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, each of the Company and the Guarantors shall:

(A) furnish to each Initial Purchaser, each selling Holder and each underwriter, if any, in such substance and scope as they may request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the effectiveness of the Shelf

(1) a certificate, dated the date of effectiveness of the Shelf Registration Statement, signed by (y) the President or any Vice President and (z) a principal financial or accounting officer of each of the Company and the Guarantors, confirming, as of the date thereof, the matters set forth in paragraphs (i), (ii) and (iii) of Section 5(e) of the Purchase Agreement and such other matters as such parties may reasonably request;

(2) use reasonable best efforts to obtain an opinion, dated the date of effectiveness of the Shelf Registration Statement, of counsel for the Company and the Guarantors, covering the matters set forth in Section 5(c) of the Purchase Agreement and such other matter as such parties may reasonably request, and in any event including a statement to the effect that such counsel has participated in conferences with officers and other representatives of the Company and the Guarantors, representatives of the independent public accountants for the Company and the Guarantors, representatives of the underwriter(s), if any, and counsel to the underwriter(s), if any, in connection with the preparation of such Registration Statement and the related Prospectus and have considered the matters required to be stated therein and the statements contained therein, although such counsel has not independently verified the accuracy, completeness or fairness of such statements; and that such counsel advises that, on the basis of the foregoing, no facts came to such counsel's attention that caused such counsel to believe that the applicable Registration Statement, at the time such Registration Statement or any post-effective amendment thereto became effective contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Without limiting the foregoing, such counsel may state further that such counsel assumes no responsibility for, and has not independently verified, the accuracy, completeness or fairness of the financial statements, notes and schedules and other financial data included in any Registration Statement contemplated by this Agreement or the related Prospectus; and

(3) use reasonable best efforts to obtain a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Company's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings, and covering or affirming the matters set forth in the comfort letters delivered pursuant to Section 5(a) of the Purchase Agreement, without exception;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(xi)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company or any of the Guarantors pursuant to this Section 6(c)(xi), if any.

If at any time the representations and warranties of the Company and the Guarantors contemplated in Section 6(c)(x)(A)(1) hereof cease to be true and correct, the Company or the Guarantors shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xi) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may reasonably request and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that none of the Company nor the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xii) shall issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Company for cancellation;

(xiii) cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations (subject to the applicable requirements contained in the applicable Indenture) and registered in such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any sale of Transfer Restricted Securities made by such Holders or underwriter(s);

(xiv) use commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xii) hereof, except as may be required solely as a consequence of the nature of such selling Holder's

business, in which case the Company and the Guarantors will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals;

(xv) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in light of the circumstances under which they were made, not misleading;

(xvi) provide a CUSIP number for all Securities not later than the effective date of the Registration Statement covering such Securities and provide the Trustee under the Indenture with printed certificates for such Securities which are in a form eligible for deposit with the Depository Trust Company and take all other action necessary to ensure that all such Securities are eligible for deposit with the Depository Trust Company;

(xvii) cooperate and assist in any filings required to be made with FINRA and in the performance of any due diligence investigation by any underwriter (including any "qualified independent underwriter") that is required to be retained in accordance with the rules and regulations of FINRA;

(xviii) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm commitment or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Company's first fiscal quarter commencing after the effective date of the Registration Statement;

(xix) cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute and use commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner;

(xx) cause all Securities covered by the Registration Statement to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed if requested by the Holders of a majority in aggregate principal amount of Initial Securities or the managing underwriter(s), if any; and

14

(xxi) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the "Advice") by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Company, each Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the Advice; *provided, however*, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Company's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Company's and the Guarantor's performance of or compliance with this Agreement will be borne by the Company and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by any Initial Purchaser or Holder with FINRA (and, if applicable, the fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and regulations of FINRA)); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws; (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company, the Guarantors and, subject to Section 7(b) hereof, the Holders of Transfer Restricted Securities; (v) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Company and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

15

Each of the Company and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special

experts, retained by the Company or the Guarantors.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Company and the Guarantors, jointly and severally, will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the "Plan of Distribution" contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, who shall be Cahill Gordon & Reindel LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared.

SECTION 8. *Indemnification.*

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Initial Purchaser and each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Initial Purchaser or any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a "controlling person") and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an "Indemnified Holder"), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable fees and expenses of counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with (i) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment or supplement thereto) or Prospectus (or any amendment or supplement thereto) or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or any Issuer Free Writing Prospectus (or any amendment or supplement thereto or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except, in each case, insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Initial Purchasers or any of the Holders furnished in writing to the Company by J.P. Morgan Securities Inc. or any selling Holder, respectively, expressly for use therein. This indemnity agreement shall be in addition to any liability which the Company or any of the Guarantors may otherwise have.

16

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Company or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Company and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Company or the Guarantors of their obligations pursuant to this Agreement. Such Indemnified Holder shall have the right to employ its own counsel in any such action and the fees and expenses of such counsel shall be paid, as incurred, by the Company and the Guarantors (regardless of whether it is ultimately determined that an Indemnified Holder is not entitled to indemnification hereunder). The Company and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Company and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Company's and the Guarantors' prior written consent, which consent shall not be withheld unreasonably, and each of the Company and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any action effected with the written consent of the Company and the Guarantors. The Company and the Guarantors shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, the Initial Purchasers and each of the respective directors, officers of the Company and the Guarantors who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company or any of the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Company and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Company, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Company and the Guarantors, and the Company, the Guarantors, their respective directors and officers and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses

17

referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Holders, on the other hand, from the Initial Placement (which in the case of the Company and the Guarantors shall be deemed to be equal to the total gross proceeds to the Company and the Guarantors from the Initial Placement), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Company and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material

fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or any of the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Each of the Company and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such

18

Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided, however*, that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Company.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* Each of the Company and the Guarantors hereby agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* Each of the Company and the Guarantors will not on or after the date of this Agreement enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. Neither the Company nor any of the Guarantors has previously entered into any agreement granting any registration rights with respect to its debt securities to any Person. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's or any of the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Actions Affecting the Securities.* The Company will not take any action, or permit any change to occur, with respect to the Securities that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Company has (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates

19

exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided, however*, that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company shall obtain the written consent of each such Initial Purchaser with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telex, telecopier, or air courier guaranteeing overnight delivery:
