

SPX to Participate in Bank of America Merrill Lynch Industrials and Materials Conference

August 30, 2012 8:01 AM ET

CHARLOTTE, N.C., Aug. 30, 2012 /PRNewswire/ -- SPX Corporation (NYSE: SPW) today announced that Christopher J. Kearney, Chairman, President and CEO, will present at the Bank of America Merrill Lynch Industrials and Materials Conference in Boston on Thursday, September 6, 2012 at 2:05 p.m. Eastern time. SPX Vice President and Chief Financial Officer Jeremy Smeltser will also attend and participate in the question and answer session that will immediately follow Kearney's presentation.

A live webcast of the presentation and related materials will be posted to the Investor Relations section of SPX's website (www.spx.com). A replay will be accessible on the website through Thursday, September 20, 2012.

About SPX

Based in Charlotte, North Carolina, SPX Corporation (NYSE: SPW) is a global Fortune 500 multi-industry manufacturing leader with over \$5 billion in annual revenue, operations in more than 35 countries and over 18,000 employees. The company's highly-specialized, engineered products and technologies are concentrated in three areas: flow technology, infrastructure, and vehicle service solutions. Many of SPX's innovative solutions are playing a role in helping to meet rising global demand for electricity, processed foods and beverages and vehicle services, particularly in emerging markets. The company's products include food processing systems for the food and beverage industry, power transformers for utility companies, cooling systems for power plants; and diagnostic tools and equipment for the automotive industry. This description of SPX does not contemplate the pending sale of the Service Solutions business. For more information, please visit www.spx.com.
